Hello,

I just got off the phone with Sgt Len West from the LA Unified School District. He would like a cleanup at 17th and Grand (CD 14, Central Division) ASAP. He said that he's been in contact with Officer Bolor and Lt. Tingirides from UHRC regarding this location, and said he was told that while a cleanup was planned for 12/19/18, it didn't happen due to the weather. He wants to know when it'll get cleaned because this location is near a school, and school starts the week of 1/7/19.

I checked the confirmation sheet for 12/19/19 and did not see this location on it. According to AMS and PIMS, this location has not been cleaned in December this year. It's not scheduled to be cleaned this week.

The location is in the AMS queue (180811004, 1750 S Grand Ave under 10 freeway underpass), it and it's signed off by all three entities.

Lt. Tingirides, could you please let me know what you and Sgt West have communicated regarding this location, and if Sgt West happened to have sent you current photos of it? He told me that the encampment has grown since Christmas.

Once I get all of the information I'm more than happy to reach out to Bladimir from CD 14 to prioritize this location for a cleanup. The next CD 14 CSLA days in January are Tuesday the 8th and Tuesday the 15th.

Thanks everyone!
